COURSEWORK

Data Structure |
Algorithms Object
Oriented Programming

SKILLS

Languages

- C++
- Dart
- Python
- Javascript

Frameworks

- Django
- Flutter

Familiar

- CI/CD
- Heroku
- Flame

Problem Solving

Tools/Software and Database

VS code | MySQL | Android
Studio
| Postman | Xcode | Firebase

COURSES

- Rest API Design

EXPERIENCE

Flutter Developer– [Swan softweb solutions](#)

Ahmedabad, Gujarat, India | December 2021 – July 2022

- Worked on application to waste management to show pin on map where pick up point is available and **reduce application churn rate by using BLoC pattern.**
